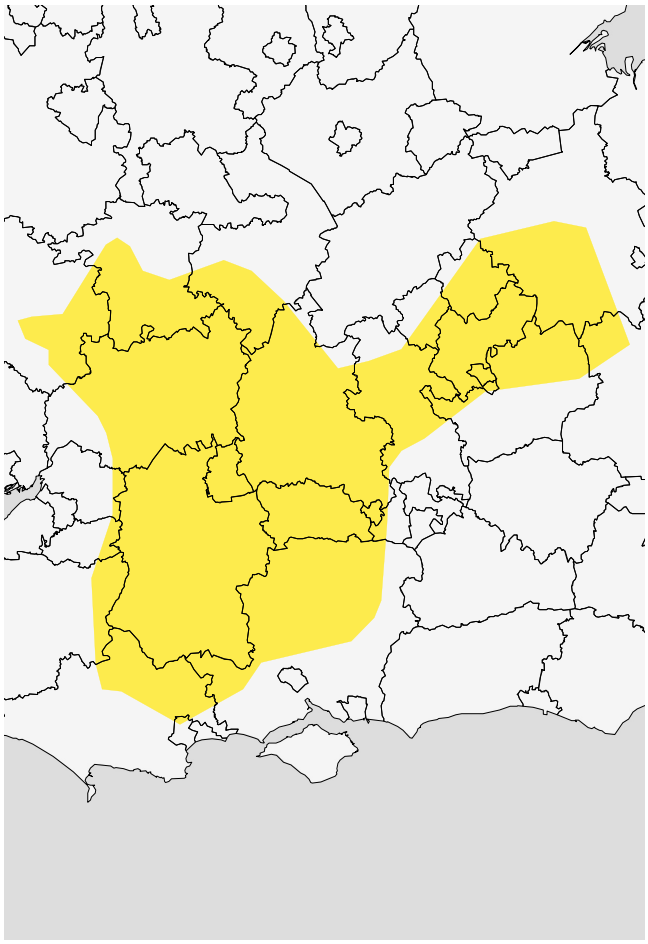
Yellow warning
Fog

Between
05:45 Tue 27 Nov 2018 and
10:00 Tue 27 Nov 2018



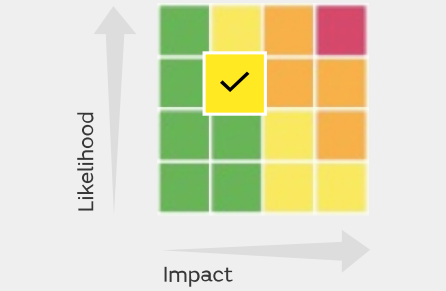
Areas of thick fog making for some dangerous road conditions.

What to expect

- Slower car journey times are likely and possible delays to bus services
- There is a chance of delays or cancellations to flights

Further details

Light winds and clear skies have allowed frost and areas of thick fog to develop overnight. Although not everywhere will be affected, some of this will persist well into the morning rush hour. There should be a gradual improvement from the west through the morning as the wind starts to pick up.



Medium likelihood of low impacts

Issued at 05:34 Tue 27 Nov, 2018
